

REIAC Challenge Event

www.reiac.org

April 29, 2010

REIAC Members and Guests are Invited!

You are cordially invited to attend the 2010 REIAC Challenge on Thursday, April 29th, starting at 4:30 p.m. The annual REIAC Challenge pits four teams of GSU real estate graduate students against each other in a competition to find the best development ideas for a site. The site this year is Murphy's Crossing, part of the Beltline in South Atlanta. Teams make their pitch to an audience of students and real estate professionals. The presentations are judged by a panel of experts with \$1,000 scholarships awarded to each member of the winning team.

With your support and generosity, entry to the REIAC Challenge is free and open to REIAC members and guests. Food and beverages are provided. Please take time on the 29th to see the best of Atlanta's next generation of real estate professionals and provide GSU students with an opportunity to meet and network with industry insiders.

Event Date and Time: April 29th, 4:30-6:30 p.m.

Event Location: The Aderhold Building, Room 024, directly across the Street from GSU Rialto Center, located on Forsyth Street with entrances on Luckie and Poplar Streets. There is ample surface and deck parking nearby. Click [here](#) for Rialto parking directions.

Have questions? Simply email Julian Diaz III at redjxd@langate.gsu.edu or Paul Gallimore at redpgg@langate.gsu.edu to learn more about this exciting event.
