On May 15th, institutional real estate luminary Mark Wilsmann of MetLife will host a panel of Atlanta's all-star investment brokers. Mark intends to draw from them candid insights on the trends, opportunities and risks presenting in today's market. We expect these insights to be valuable to REIAC members and attendees evaluating sale, purchase and capitalization opportunities in 2014. Office, retail, industrial, multi-family and hospitality will all be represented.
