REIAC Southwest Capital Markets Panel – Trends in Pension Funds and Real Estate April 25, 2019 Paradise Valley Country Club

[Online Registration Open](#)

Back by popular demand, join REIAC in a unique 360 degree look behind the curtain surrounding the investment perspectives, strategies and practical ramifications of a large public sector pension entity, its consultant and how it intersects with users of that capital. Joining us will be a Chief Investment Officer of a large pension fund, the fund's real estate consultant, a top placement agent that raises funds for a spectrum of managers and an operating partner for the pension fund that is currently putting its capital to work. Do not miss this rare opportunity to see the circle of intellectual contributors that surrounds the pension fund investment in real estate discuss how decisions are actually made. Our guests include:

Karl Polen, Chief Investment Officer, Arizona Retirement System
Gadi Kaufmann, Managing Director/CEO, RCLCO Los Angeles
Douglas Weill, Managing Partner, Hodes Weill & Associates
William C. MacDonald, Chief Executive Officer and President, Mill Creek

- The panel will be skillfully moderated by **Joe Blackburn**, President and CEO of Everest Holdings.

We look forward to another great event at the Paradise Valley Country Club on April 25th!

Best Regards,
Mark Singerman
