### REIAC 2nd Quarter Program - Adaptive Reuse Development - New Lives for "Old Bones" June 12, 2013

For our 2nd Quarter Program, we have assembled a panel of some of the most innovative thinkers in the real estate development industry who are in the process of re-purposing Atlanta's obsolete properties into new transformational uses.

Joining us the afternoon of June 12th at the InterContinental Hotel in Buckhead will be Scott Condra, President of Jacoby Development, the developer of Atlantic Station, Aerotropolis and their newest effort, a 100-acre mixed-use movie studio-oriented development in Gwinnett. In addition, we will hear from Chris Faussemagne with Westbridge Partners, co-developer of White Provision; Architect Niles Bolton, designer of the new 550 Pharr Road office-to-multifamily conversion; Bailey Pope with The Dawson Company, and Georgia Tech Professor of Architecture and Urban Design, Ellen Dunham-Jones, co-author of the book "Retrofitting Suburbia".

As always, a large array of food and an open bar will be provided following the program. We thank our generous sponsors for their support: Cardno ATC; Crown Advisors; Habif Arogeti & Wynne; National Real Estate Investor; Georgia State University; Grandbridge Real Estate Capital; and McKenna, Long & Aldridge.
